

Discover Courage

Adopted from the Louis Luo's sermon on 31/8/2008

Ice breaker: What is courage?

Scripture: Joshua 1:1-9 (everyone reads a verse).

Question 1: Why did God tell Joshua 3 times to be courageous?

Who has just died? (Read 1:1).

What significant event is coming? (1:2b)

What else?

When does one need courage most?

Question 2: Where did Joshua's courage come from?

Read 1:5,

Read 1:9

Will trusting oneself give you courage?

Applications:

A famous writer said: Faith is the strength to stand up, and courage is the strength to step out.

1. Do you put your faith in God?
2. Are you able to use courage to realize your dream?
3. How are you going to be courageous to do try something new, for example correct your wrongs, encourage others, praise others, thank others.
4. When you face set backs, do you ask God to give you courage to overcome the obstacle?

Prayers: Pray for each other, ask God to give you more courage.
